Seeds Grow

Grades K–1
Reading comprehension · Nonfiction

Name: _____ Date: _____

Read the passage carefully. You may read it more than once. Then answer the questions.

A seed is small. Put it in the dirt. Give it water and sun.

Under the dirt, the seed gets wet. It gets big. Then a little root grows down. The root drinks water from the dirt.

Soon a little sprout pops up. The sprout grows leaves. The leaves get sun. Then it grows tall. One day it may grow a flower or food!
